June & Graham Garnett Plot 89

Not your traditional allotment plot but to me having a plot is all about gardening the way that you want to. One thing is for sure there can be no doubt that this is one beautiful plot. An absolute floral explosion it gives me such pleasure to walk past in an evening and savour the intoxicating scent. It is hard to believe that only a couple of years ago this was one of the roughest plots on the allotment and now it is an absolute feast for all the senses. Congratulations to June & Graham you should be so proud of all your hard work.
